In respect of each Statement of Work, these terms shall apply to the exclusion of any terms or conditions contained or referred to in any documentation submitted by Customer or in correspondence or implied by trade, custom or course of dealing (whether or not in conflict with or additional to these terms).

3.2. In the event of any termination of a SOW, Customer will pay Seller for all Services performed and expenses incurred and any other non-recoverable costs incurred by Seller up to and including the date of such termination.

In addition, Customer will have no rights in any Seller IPR other than: (a) to use it as authorized by Seller in writing from time to time solely for purposes of performing any Customer responsibilities under any Statement of Work or (b) to the extent that Seller IPR is incorporated into any Deliverable, to use it as part of the Deliverable for purposes of Customer's internal business purposes only. Customer shall indemnify, defend and hold Seller, its Affiliates, and its and their directors, officers, employees and agents harmless from any loss (of any kind), cost, damage or expense (including, but not limited to attorneys' fees and expenses) which Seller may suffer as a result of the breach by Customer of such agreements. Deliverables. In addition, Seller will be free to use its general knowledge, skills and experience, and any ideas, concepts, know-how, and techniques that are acquired or used in the course of providing the Services.

3.4. Seller shall use reasonable endeavors to deliver the Services by the Delivery Date, but shall not be liable for any cost or damage caused by late or non-delivery. 3.7. Seller warrants that the Services and/or Deliverables will, for a period of thirty (30) days from the date of acceptance (or such other date as may be agreed in a SOW), materially conform to, and operate in accordance with the specifications set out in the relevant SOW. Except as otherwise set forth in a SOW, all Services and Deliverables will be deemed accepted if Customer does not reject the Services or Deliverables by providing written notice within five (5) days after delivery specifically identifying the manner in which the Services or Deliverables fail to materially comply with their applicable specifications. Seller will be entitled to rely on all decisions and approvals of Customer in connections with the Services and Deliverables.

3.8. Customer shall promptly notify Seller in writing of any failure by Seller to comply with any of the warranties set out in this Section 3, as soon as practicable after discovery of the failure, failing which, to the extent permitted by law and subject to Section 7, Seller shall be entitled to reject the claim. The notice from Customer to Seller shall identify and, where possible, substantiate the breach.

3.9. In the event that Customer requests Seller to provide any Third Party Services and there is a discrepancy between the third party terms and conditions and these terms and conditions, the third party terms and conditions prevail only to the extent of such discrepancy with regard to the particular Services being provided under the third party terms and conditions. Customer agrees to be bound by the third party terms and conditions.

3.10. Customer shall be solely responsible for daily back-up and other protection of its data and software against loss, damage or corruption during the performance of Services and for any necessary reconstruction thereof.

3.11. Customer shall co-operate with Seller in all matters relating to the Services, including by providing timely responses to Seller's inquiries and requests for

approvals and authorizations and shall ensure that each person with whom Seller engages in relation to the Services has the authority contractually to bind Customer on matters relating to the Services.

3.12. Customer shall provide, for Seller, its agents, subcontractors, consultants and employees, in a timely manner and at no charge, access to any information or materials reasonably required by Seller in connection with providing the Services, and access to Customer's premises, office accommodation, data and other facilities as required by Seller.

3.13. Customer shall provide, in a timely manner, such Input Material and other information as Seller may require, and ensure that it is accurate in all material respects. For the avoidance of doubt, Seller shall be under no obligation to test, check or confirm the accuracy of the Input Material prior to performing the Services unless required by a SOW.

3.14. Customer shall be responsible (at its own cost) for preparing and maintaining the relevant premises for the supply of the Services.

3.15. Customer shall provide Seller access to Customer's staff (and when the Services are provided at another location designated by Customer, the staff and resources at such location) that Seller determines are useful or necessary for Seller to provide the Services. When the Services are provided on Customer's premises or at another location designated by Customer, Customer agrees to maintain adequate insurance coverage to protect Seller and Customer's premises and shall indemnify, defend and hold Seller, its Affiliates, and its and their directors, officers, employees and agents harmless from any loss (of any kind), cost, damage or expense (including, but not limited to, attorneys' fees and expenses) arising out of any product liability, death, personal injury or property damage or destruction occurring at such location in connection with the performance of the Services, other than solely as a result of Seller's gross negligence or willful misconduct.

3.16. Customer shall provide full-time qualified, knowledgeable personnel capable of: (i) performing Customer obligations; (ii) making timely decisions necessary to move the Services forward; and (iii) participating in the project and assisting Seller's performance of the Services. Customer shall perform other reasonable duties and tasks to facilitate Seller's performance of the Services.

3.17. Customer shall inform Seller of all health and safety rules and regulations and any other reasonable security requirements that apply at the premises of Customer specified in the relevant SOW where the Services are to be performed.

3.18. Customer shall obtain and maintain all necessary licenses and consents and comply with all relevant Laws in relation to the Services, the right or license for Seller, its Affiliates, and its and their subcontractors to access, use and modify all data and third party products, to use Input Material and to use any equipment, systems, cabling or facilities provided by Customer and used by Seller directly or indirectly in the supply of the Services. Customer shall also obtain and maintain all necessary licenses and consents required under applicable labor Laws, for Seller, its Affiliates and their personnel to work in the Customer's or its Affiliates' premises.

3.19. Customer shall comply with any other

obligations set out in the applicable SOW.

3.20. Seller shall indemnify and defend Customer from any third party claim brought against Customer to the extent that any Deliverable, infringes any presently existing Australian patent, copyright or trade secret of any third party. Seller will pay any final judgment awarded to the third party against Customer and reasonable attorneys' fees and expenses on behalf of Customer, PROVIDED THAT Customer shall (i) notify Seller promptly in writing of any such claim; (ii) permit Seller to have sole control of the defense, compromise or settlement of such claim, including any appeals; (iii) not make any prejudicial statements or settlement offers without the prior written consent of Seller; (iv) fully co-operate with Seller in the defense or settlement of such claim; and (v) the claim does not arise as a result of any breach by Customer of a term of any applicable license.

3.21. Seller shall have no obligation to indemnify Customer for any intellectual property right infringement claim to the extent that it is based on (i) the use or combination of Deliverables with software, hardware or other materials not owned, developed or recommended by Seller; (ii) the use of the Deliverables in a manner other than that for which it was designed or contemplated as evidenced by Seller's Documentation; (iii) any unauthorized modification of the Deliverables by any party; (iv) any compliance with designs, plans, instructions, directions, or specifications provided by Customer; (v) Customer's distribution, marketing or use for the benefit of third parties of the Deliverables; or (vi) Customer's failure to use corrections or enhancements made available by Seller and such failure would have prevented such infringement. If any Deliverable is, or in Seller's opinion is likely to be, held to be infringing, Seller will at its expense and option either (a) procure the right for Customer to continue using it, (b) replace it with a non-infringing equivalent, (c) modify it to make it non-infringing, or (d) direct the return of the Deliverable and refund to Customer the fees paid for such Deliverable less a reasonable amount for Customer's use of the Deliverable up to the time of return. The foregoing remedies constitute Customer's sole and exclusive remedies and Seller's entire liability with respect to infringement.

#### **Section 4. IMAGE INSTALLATION.**

4.1 Customer may from time to time, including in connection with the provision of Services, request that Seller perform an installation of Customer's software or images (including custom software images) ("Customer Images"). Prior to any such installation, Customer shall secure valid licenses for all Customer Images. If at any time, Seller reasonably believes that Customer does not have a valid license, Seller may immediately terminate the installation of Customer Images or request further assurances that Customer has valid licenses. In connection with the installation of Customer Images, Customer shall indemnify, defend and hold Seller, its Affiliates, and its and their directors, officers, employees and agents harmless from any loss (of any kind), cost, damage or expense (including, but not limited to, attorneys' fees and expenses) brought by a third party alleging that any such installation violates any license, copyright, confidential information or other proprietary right of such third party.

#### **Section 5. PAYMENT.**

5.1. Seller, or any of its Affiliates on behalf of

Seller, may issue an invoice to Customer. All invoiced amounts and payments shall be made in Australian Dollars or in the currency as invoiced by Seller. Invoices in respect of Services provided on a fixed fee basis shall be issued in advance of the provision of such Services. 5.6. Customer shall make all payments under each SOW without withholding or deduction of, or in respect of, any Tax unless required by applicable Law. If any such withholding or deduction is required, Customer shall pay to Seller such additional amount as will ensure that Seller receives the same total amount that it would have received if no such withholding or deduction had been required.

5.7. Credit terms are subject to review from time to time and Seller shall at all times have the right to suspend or vary any credit terms granted.

5.8. In the event of a payment default, Seller reserves the right to suspend the applicable Services.

Payment of the additional amount will be made at the same time as payment for the taxable supply is required to be made in accordance with this Agreement.

#### **Section 6. DISCLAIMED WARRANTIES.**

12.3. Any reference to "writing" or "written" includes any method of reproducing words or text in a legible and non-transitory form and, for the avoidance of doubt, shall exclude e-mail.

12.4. Except where the context otherwise requires, words denoting the singular include the plural and vice versa, words denoting any gender include all genders, and words denoting persons include firms and corporations and vice versa.

12.5. Unless otherwise stated, a reference to a clause or schedule is a reference to a clause of or schedule to this Agreement. Section headings are for ease of reference only and do not affect the construction of this Agreement.

12.6. No provision of this Agreement will be deemed waived, amended or modified by either Party unless such

waiver, amendment or modification is in writing and signed by both Parties. Any delay or failure by either Party to exercise any right or remedy will not constitute a waiver of that Party to enforce such rights thereafter.

12.7. Seller may assign or subcontract all or any portion of its rights or obligations under this Agreement to any of its Affiliates or assign the right to receive payments to any of its Affiliates, without Customer's consent. Seller shall be responsible for the performance of any of its Affiliates, subcontractors or assignees under this Agreement. Customer may not assign this Agreement or any of its rights or obligations herein without the prior written consent of Seller. Subject to the restrictions in assignment contained herein, this Agreement will be binding on and inure to the benefit of the Parties hereto and their successors and assigns.

12.8. Neither Party, at any time during or after the term of this Agreement, without the prior written consent of the other Party in each instance, shall issue, publish, or arrange for any press release of any kind or nature whatsoever, or shall use the trademark, service mark, trade or service name, or logo of the other Party.

12.9. If any term or condition of this Agreement is found by a court of competent jurisdiction to be invalid, illegal or otherwise unenforceable, the same shall not affect the other terms or conditions hereof.

12.10. THIS AGREEMENT WILL BE GOVERNED BY THE LAWS OF THE STATE OF NEW SOUTH WALES, WITHOUT REGARD TO CONFLICTS OF LAWS RULES. ANY ARBITRATION, ENFORCEMENT OF AN ARBITRATION OR LITIGATION WILL BE BROUGHT EXCLUSIVELY IN NEW SOUTH WALES, AND BOTH PARTIES CONSENT TO THE JURISDICTION OF THE FEDERAL AND STATE COURTS WITH JURISDICTION THEREIN, SUBMIT TO THE JURISDICTION THEREOF AND WAIVE THE RIGHT TO CHANGE VENUE. THE PARTIES FURTHER CONSENT TO THE EXERCISE OF PERSONAL JURISDICTION BY ANY SUCH COURT WITH RESPECT TO ANY SUCH PROCEEDING. Customer and Seller are solely obligated to address and resolve all disputes associated with this Agreement, including any damages or injuries to the Customer's Affiliates, and all claims related to this Agreement will be brought by Customer in New South Wales as provided in this Agreement. Except in the case of non-payment, neither Party may institute any action in any form arising out of this Agreement more than one (1) year after the cause of action has arisen. The rights and remedies provided under this Agreement are cumulative, are in addition to, and do not limit or prejudice any other right or remedy available at law or in equity.

12.11. The rights and obligations provided by Sections 2, 3, 4, 5, 6, 7, 8, 9, 10 and 12 and those terms and conditions which would, by their meaning or intent, survive the termination of this Agreement shall so survive.

12.12. This Agreement may be signed in separate counterparts, each of which shall be deemed an original, and all of which together will be deemed to be one original.

12.13. The relationship between Seller and Customer is that of independent contractors and not that of

employer/employee, agency, partnership or joint venture. Accordingly, except as expressly authorized herein, no Party shall have any authority to act or make representations on behalf of the other Party, and nothing herein shall impose liability on a Party in respect of any liability incurred by another Party to a third party.

12.14. Seller shall use reasonable endeavors to provide such cooperation as may be reasonably required by any third party contractors of products and/or services to Customer so as to ensure that all Services can be provided to Customer in a coordinated, effective and timely manner. Seller shall be entitled to charge Customer its reasonable pre-approved (such approval not to be unreasonably withheld or delayed) costs of complying with this Section 12.13.

12.15. Seller shall not be liable for any loss or damage suffered or incurred by Customer arising from Seller's delay or failure to fulfil or otherwise discharge any of its obligations under this Agreement or any SOW where such delay or failure is caused by any non-performance of its obligations by Customer, industrial dispute, sudden or substantial depletion of Seller's staff, or any Force Majeure Event.

12.16. Seller and Customer each agree and undertake to the other that in connection with this Agreement and the provision of Deliverables and/or Services contemplated by this Agreement, they will each respectively comply with the applicable Anti-Corruption Laws. In the event that either Party has any basis for a good faith belief that the other Party may not be in compliance with the undertakings and/or requirements set out in this Section 12.15, such Party shall advise the other Party in writing of its good faith belief and the other Party shall cooperate fully with any and all reasonable enquiries undertaken by or on behalf of such Party.

12.17. Each Party warrants and agrees that it will comply with all Laws applicable to such Party in its performance of its obligations under this Agreement.

12.18. The Parties may change the scope of Services or Deliverables and other matters specified in the Statement of Work only by a written amendment executed by an authorized representative of each party (a "Change Order"). If Seller performs any Services or work at the request of Customer under this Agreement that is not specified in a Statement of Work then, (a) the work will be considered Services provided under this Agreement, and Customer will pay Seller for such Services in accordance with Section 5 at Seller's then current time and materials rates, and (b) the Parties will promptly negotiate and enter into a Statement of Work or Change Order to an existing SOW to reflect the new or changed Services.

12.19. Nothing in this Agreement is intended or will be construed to confer upon any person (other than the Parties hereto and any indemnified party set forth in this Agreement) any rights, benefits or remedies of any kind or character whatsoever. Except as expressly stated in this Agreement, the Parties do not intend that any term of this Agreement shall be enforceable by any third party.

### **Section 13. DATA PROTECTION**

13.1. The Parties agree that Seller will not be required to process any Personal Data during the supply of any Services under this Agreement unless explicitly stated

in a SOW, in which case the provisions of this Section 13 shall apply. Unless the Parties agree that Seller will process any Personal Data under a SOW, Customer shall restrict Seller's access to any Personal Data under Customer's control. If the Parties agree that Seller will process Personal Data under a SOW, the Parties may agree to additional data protection terms in that SOW, including as required by applicable Laws for the transfer of Personal Data to Seller or any of Seller's Affiliates, or any third party providing Services under subcontract with Seller.

13.2. Seller shall process Personal Data from time to time only in accordance with Customer's instructions and shall not process the Personal Data for any purpose other than those expressly authorized by Customer. Customer agrees that Seller will act as the processor or licensee of such Personal Data, and not as the controller, owner, or licensor of such Personal Data. Customer is responsible for obtaining any consents and providing and ensuring the accuracy of any notices required to disclose Personal Data to Seller, Seller's Affiliates, or any Seller subcontractor providing Services for use in accordance with this Agreement.

13.3. Each Party warrants to the other that it will process the Personal Data in compliance with all Laws, enactments, regulations, orders, standards and other similar instruments applicable to such Party. Furthermore, Customer warrants that any Customer Personal Data provided to Seller has been obtained, processed and provided to Seller in accordance with all Laws and ensured that there is a legitimate ground for the processing of any and all Personal Data by Seller, Seller's Affiliates, or any Seller subcontractor providing Services on behalf of Customer in accordance with this Agreement and any applicable SOW.

13.4. Seller shall use commercially reasonable efforts to prevent the unauthorized or unlawful processing

of Personal Data and the accidental loss or destruction of, or damage to, Personal Data to ensure a level of security appropriate to: (i) the harm that might result from such unauthorised or unlawful processing or accidental loss, destruction or damage; (ii) the nature of the data to be protected; and (iii) take reasonable steps to ensure compliance with those measures.

13.5. Customer acknowledges that Seller is reliant on Customer for direction as to the extent to which Seller is entitled to use and process Personal Data. Consequently, Seller will not be liable for any claim brought by a data subject arising from any action or omission by Seller, to the extent that such action or omission resulted directly from Customer's instructions.

13.6. Seller may authorize a third party subcontractor to process the Personal Data provided that the sub-contractor's contract: (i) sets forth terms related to protection and processing of Personal Data which are substantially the same as those set out in Section 13.3 of this Agreement; and (ii) limits the subcontractor's processing of such Personal Data to terminate automatically on termination of this Agreement for any reason.

#### **Section 14. LOCALIZATION**

14.1 Should any Seller Affiliate and any Customer Affiliate wish to enter into an agreement for the provision of Deliverables and/or Services ("**Local Agreement**") in either Canada, the United Kingdom, the United States, Hong Kong, Ireland, Singapore, South Africa or the United Arab Emirates (as applicable), Local Agreement(s) can be agreed between the Parties and added as Exhibit(s) to this Agreement by way of addendum. The terms of this Agreement shall be incorporated into each such Local Agreement except to the extent that the Local Agreement expressly states that any amendments shall take precedence.
