Customer obtains no ownership or other property rights thereto. Customer agrees that Seller

may incorporate Seller IPR or intellectual property created by third parties into the Deliverables and that Customer's right to use such Deliverables may be subject to the rights of, and limited by agreements with, such third parties or Seller. In addition, Customer will have no rights in any Seller IPR other than: (a) to use it as authorized by Seller in writing from time to time solely for purposes of performing any Customer responsibilities under any Statement of Work or (b) to the extent that Seller IPR is incorporated into any Deliverable, to use it as part of the Deliverable for purposes of Customer's internal business purposes only. Customer shall indemnify, defend and hold Seller, its Affiliates, and its and their directors, officers, employees and agents harmless from any loss (of any kind), cost, damage or expense (including, but not limited to attorneys' fees and expenses) which Seller may suffer as a result of the breach by Customer of such agreements. To the full extent permitted by law and subject to Section 8, Customer's sole and exclusive remedy with respect to this warranty will be, at the sole option of Seller, to either (a) use its reasonable commercial efforts to reperform any Services not in substantial compliance with this warranty, or (b) refund amounts paid by Customer related to the portion of the Services not in substantial compliance; provided, in each case, Customer notifies Seller in writing within five (5) business days after performance of the applicable Services.

3.7. Seller warrants that the Services and/or Deliverables will, for a period of thirty (30) days from the date of acceptance (or such other date as may be agreed in a SOW), materially conform to, and operate in accordance with the specifications set out in the relevant SOW. Except as otherwise set forth in a SOW, all Services and Deliverables will be deemed accepted if Customer does not reject the Services or Deliverables by providing written notice within five (5) days after delivery specifically

identifying the manner in which the Services or Deliverables fail to materially comply with their applicable specifications. Seller will be entitled to rely on all decisions and approvals of Customer in connections with the Services and Deliverables.

3.8. Customer shall promptly notify Seller in writing of any failure by Seller to comply with any of the warranties set out in this Section 3, as soon as practicable after discovery of the failure, failing which, to the extent permitted by law and subject to Section 8, Seller shall be entitled to reject the claim. The notice from Customer to Seller shall identify and, where possible, substantiate the breach.

3.9. In the event that Customer requests Seller to provide any Third Party Services and there is a discrepancy between the third party terms and conditions and these terms and conditions, the third party terms and conditions prevail only to the extent of such discrepancy with regard to the particular Services being provided under the third party terms and conditions. Customer agrees to be bound by the third party terms and conditions.

3.10. Customer shall be solely responsible for daily back-up and other protection of its data and software against loss, damage or corruption during the performance of Services and for any necessary reconstruction thereof.

3.11. Customer shall co-operate with Seller in all matters relating to the Services, including by providing timely responses to Seller's inquiries and requests for approvals and authorizations and shall ensure that each person with whom Seller engages in relation to the Services has the authority contractually to bind Customer on matters relating to the Services.

3.12. Customer shall provide, for Seller, its agents, subcontractors, consultants and employees, in a timely manner and at no charge, access to any information or materials reasonably required by Seller in connection with providing the Services, and access to Customer's premises, office accommodation, data and other facilities as required by Seller.

3.13. Customer shall provide, in a timely manner, such Input Material and other information as Seller may require, and ensure that it is accurate in all material respects. For the avoidance of doubt, Seller shall be under no obligation to test, check or confirm the accuracy of the Input Material prior to performing the Services unless required by a SOW.

3.14. Customer shall be responsible (at its own cost) for preparing and maintaining the relevant premises for the supply of the Services.

3.15. Customer shall provide Seller access to Customer's staff (and when the Services are provided at another location designated by Customer, the staff and resources at such location) that Seller determines are useful or necessary for Seller to provide the Services. When the Services are provided on Customer's premises or at another location designated by Customer, Customer agrees to maintain adequate insurance coverage to protect Seller and Customer's premises and shall indemnify, defend and hold Seller, its Affiliates, and its and their directors, officers, employees and agents harmless from any loss (of any kind), cost, damage or expense (including, but not limited to, attorneys' fees and expenses) arising out of any product liability, death, personal injury or property damage or

destruction occurring at such location in connection with the performance of the Services, other than solely as a result of Seller's gross negligence or willful misconduct.

3.16. Customer shall provide full-time qualified, knowledgeable personnel capable of: (i) performing Customer obligations; (ii) making timely decisions necessary to move the Services forward; and (iii) participating in the project and assisting Seller's performance of the Services. Customer shall perform other reasonable duties and tasks to facilitate Seller's performance of the Services.

3.17. Customer shall inform Seller of all health and safety rules and regulations and any other reasonable security requirements that apply at the premises of Customer specified in the relevant SOW and/or PO where the Products are to be delivered and/or the Services are to be performed.

3.18. Customer shall obtain and maintain all necessary licenses and consents and comply with all relevant Laws in relation to the Services, the right or license for Seller, its Affiliates, and its and their subcontractors to access, use and modify all data and third party products, to use Input Material and to use any equipment, systems, cabling or facilities provided by Customer and used by Seller directly or indirectly in the supply of the Services. Customer shall also obtain and maintain all necessary licenses and consents required under applicable labor Laws, for Seller, its Affiliates and their personnel to work in the Customer's or its Affiliates' premises.

3.19. Customer shall comply with any other obligations set out in the applicable SOW.

3.20. Seller shall indemnify and defend Customer from any third party claim brought against Customer to the extent that any Deliverable, infringes any presently existing Australian patent, copyright or trade secret of any third party. Seller will pay any final judgment awarded to the third party against Customer and reasonable attorneys' fees and expenses on behalf of Customer, PROVIDED THAT Customer shall (i) notify Seller promptly in writing of any such claim; (ii) permit Seller to have sole control of the defense, compromise or settlement of such claim, including any appeals; (iii) not make any prejudicial statements or settlement offers without the prior written consent of Seller; (iv) fully co-operate with Seller in the defense or settlement of such claim; and (v) the claim does not arise as a result of any breach by Customer of a term of any applicable license.

3.21. Seller shall have no obligation to indemnify Customer for any intellectual property right infringement claim to the extent that it is based on (i) the use or combination of Deliverables with software, hardware or other materials not owned, developed or recommended by Seller; (ii) the use of the Deliverables in a manner other than that for which it was designed or contemplated as evidenced by Seller's Documentation; (iii) any unauthorized modification of the Deliverables by any party; (iv) any compliance with designs, plans, instructions, directions, or specifications provided by Customer; (v) Customer's distribution, marketing or use for the benefit of third parties of the Deliverables; or (vi) Customer's failure to use corrections or enhancements made available by Seller and such failure would have prevented such infringement. If any Deliverable is, or in Seller's opinion is likely to be, held to be infringing, Seller will at its expense and option either (a)

procure the right for Customer to continue using it, (b) replace it with a non-infringing equivalent, (c) modify it to make it non-infringing, or (d) direct the return of the Deliverable and refund to Customer the fees paid for such Deliverable less a reasonable amount for Customer's use of the Deliverable up to the time of return. The foregoing remedies constitute Customer's sole and exclusive remedies and Seller's entire liability with respect to infringement.

Section 4. PRODUCTS.

4.1. Subject to the terms of this Agreement, Seller may provide certain Products for Customer as described generally in this Agreement and as more particularly described in a Purchase Order. All pricing for Products will be as established on Seller's quotes, subject to their terms and conditions, and if no quote has been provided, as established on Customer's POs if and to the extent accepted by Seller. Any software that is owned by Third Party Suppliers shall be subject to such terms and conditions as determined by such Third Party Suppliers. Customer shall receive the terms with respect to such third party software directly from the Third Party Supplier.

4.2. Title to Products shall pass to Customer on receipt by Seller of full payment. Title to third party software, the licenses to which are resold by Seller, will remain with the third party and Customer's rights in such software will be specified in the license agreement between such third party and Customer. Risk of loss or damage during shipment shall pass from Seller to Customer upon delivery to the destination specified on the applicable PO (F.C.A named place or as otherwise agreed between the parties).

4.3. All Product orders are subject to Product availability.

4.4. Seller shall use reasonable endeavors to deliver the Products by the Delivery Date, but shall not be liable for any cost or damage caused by late or non-delivery. For the avoidance of doubt, dates and times for the delivery of Products are estimates only, and time shall not be of the essence for the delivery of Products. Subject to Section 4.5, any delay in delivery of Products shall not give Customer the right to reject the Products or treat the SOW as repudiated.

4.5. Customer shall inspect the Products promptly upon delivery and inform Seller of any damaged, faulty or incorrect Products or of any short deliveries in accordance with Seller's Returns and Storage Policy which is available on its website at <https://uk.cdw.com/site-tools/terms-conditions/> (as amended from time to time).

4.6. Notwithstanding any other provision of this Agreement, each party shall retain responsibility for its compliance and shall comply with all applicable export control laws and economic sanctions programs relating to its respective business, facilities and provision of services to third parties. In performing their respective obligations under this Agreement neither party will be required to undertake any activity that would violate any applicable Laws or mandatory regulations, including any applicable export control laws and economic sanctions programs.

4.7. If a transaction hereunder involves an export of items (including but not limited to, commodities, software and/or technology) from the U.S., Canada, the United

Kingdom or Australia subject to the Export Administration Regulations (US), the Export and Import Permits Act (Canada), the Council Regulation (EC) No. 428/2009, the UK Export Control Order 2008, or the Export Control Act 1992 (Cth) (AUS), each as amended, as applicable, such export shall be in accordance with such applicable laws or regulations. Customer agrees that it will not divert, use, export or re-export any such items contrary to any applicable Laws of the U.S., Canada, European Union (EU), United Kingdom, Hong Kong or Australia. Customer expressly acknowledges and agrees that it will not export, re-export, dispose of, or otherwise provide such items directly or indirectly: (a) to any entity or person within any country that is subject to U.S., Canadian, EU, United Kingdom, Hong Kong, United Nations, United Nations Security Council or Australian economic sanctions, as applicable, imposing comprehensive embargoes without first obtaining any required prior government authorization and (b) to entities and persons that are ineligible under U.S., Canadian, EU, UK, Hong Kong or Australian law, as applicable, to receive such items. To the extent permitted by law, manufacturers' warranties may vary or be null and void for Products exported from the U.S., Canada, the United Kingdom, another EU Member State or Australia, as applicable.

4.8. Customer acknowledges that Seller is not the manufacturer of Products and to the extent permitted by law and subject to Section 8, that the only warranties offered are those of the manufacturer, not Seller or its Affiliates. In purchasing the Products, Customer relies on the manufacturer's specifications only and not on any statements or images that may be provided by Seller or its Affiliates.

4.9. The copyright and all other Intellectual Property Rights of whatever nature in the Products shall be and remain vested in the Third Party Supplier. Customer shall not remove any notices of copyright or other Intellectual Property Rights contained on or in the Products.

4.10. Any storage of Products shall be in accordance with Seller's Returns and Storage Policy which is available on its website at <https://uk.cdw.com/site-tools/terms-conditions/> (as amended from time to time).

Section 5. IMAGE INSTALLATION.

Prior to any such installation, Customer shall secure valid licenses for all Customer Images. If at any time, Seller reasonably believes that Customer does not have a valid license, Seller may immediately terminate the installation of Customer Images or request further assurances that Customer has valid licenses. In connection with the installation of Customer Images, Customer shall indemnify, defend and hold Seller, its Affiliates, and its and their directors, officers, employees and agents harmless from any loss (of any kind), cost, damage or expense (including, but not limited to, attorneys' fees and expenses) brought by a third party alleging that any such installation violates any license, copyright, confidential information or other proprietary right of such third party.

Section 6. PAYMENT.

6.1. Seller, or any of its Affiliates on behalf of Seller,

may issue an invoice to Customer. All invoiced amounts and payments shall be made in Australian Dollars or the currency as invoiced by Seller. Invoices in respect of Services provided on a fixed fee basis shall be issued in advance of the provision of such Services. Customer will pay invoices containing amounts authorized by the SOW and/or PO within thirty (30) days of the date of the invoice, subject to continuing credit approval by Seller. Any objections to an invoice must be made to Seller point of contact within fifteen (15) days after the invoice date. Seller may invoice Customer separately for partial shipments of Purchased Items. Customer agrees to pay interest at the lower of one and one-half percent (1.5%) per month calculated daily and compounded monthly (19.56% per annum) or the highest rate allowed by law. Customer hereby grants to Seller a security interest in the Products to secure payment in full. Customer authorizes Seller to file a financing statement reflecting such security interest. Customer's right to possession of the Products shall terminate immediately upon the occurrence of: (a) an Insolvency Event; or (b) any failure by Customer to pay an invoice in accordance with this Section 6. At any time the Seller shall be entitled to recover the Products in which ownership remains with the Seller, and for that purpose Customer hereby grants to the Seller, its agents, and employees an irrevocable licence to enter any premises where the Products or any of them are stored or located in order to repossess the same, and (in the event that any Products have been incorporated or affixed to other products) to dismantle such other products or detach the Products from those products and repossess them. The Seller may register on the Personal Property Securities Register any Security Interest granted by the Customer in favour of Seller that is created, or deemed to be created, in connection with this Agreement (or a transaction in connection with it). The Customer agrees to do anything (including obtaining consents, signing and producing documents, getting documents completed and signed and supplying information) as Seller may reasonably require for the purposes of: (i) ensuring that the Security Interest is enforceable, perfected and otherwise effective and ranks ahead of other Security Interests; (ii) enabling Seller to apply for, and obtain, any registration or providing any notification in accordance with the PPSA; and (iii) enabling Seller to exercise any right in connection with the Security Interest or the property the subject of the Security Interest. Customer waives its right to receive any notice from Seller under the PPSA (including notice of a verification statement) that can be waived. Neither Customer nor Seller will disclose or authorise the disclosure of information of the kind mentioned in section 275(1) of the PPSA. However this does not prevent disclosure where required under section 275 of the PPSA because of the operation of section 275(7) of the PPSA.

6.2. Unless Customer expressly provides remittance advice, Seller is entitled to allocate payments received to settle (in full or in part) any sums due from Customer under any SOW and/or PO, in any order or manner Seller determines.

6.3. Seller's pricing for the provision of Services and Products are exclusive of applicable Taxes. Customer will pay for, and shall indemnify, defend and hold Seller, its

Affiliates, and its and their directors, officers, employees and agents harmless from any loss (of any kind), cost, damage or expense (including, but not limited to, attorneys' fees and expenses) arising from any applicable Taxes. Customer must claim any exemption from such Taxes, fees or charges at the time of purchase and provide Seller with any necessary supporting documentation.

6.4. In the event of a default in the payment of an invoice, Customer will be responsible for all of Seller's costs of collection, including, but not limited to, court costs, filing fees and attorneys' fees.

6.5. In addition to any other means available to place orders, Customer may issue a PO to Seller. POs are not binding on Seller until accepted by Seller, and all Product orders are subject to Product availability. Any issuance of a PO is for administrative purposes only. Any additional or different terms and conditions contained in any PO will be null and void.

6.6. Notwithstanding Section 4.4, if delivery by Seller of any Products has not been made thirty (30) days after the advised estimated date for delivery of the Products, Customer shall be entitled to terminate the SOW and/or PO in respect of those Products and any liability of Seller however arising, as referred to in Section 8, shall be limited to a credit of the price due for those Products not delivered. Orders for any Products which are non-cancellable may not be cancelled once accepted by Seller. To the extent permitted by law and subject to Section 8, in no circumstances shall Seller have any further liability to Customer in damages or otherwise for non-delivery or late delivery of any of the Products.

6.7. Any credit issued by Seller to Customer for any reason must be used within two (2) years from the date that the credit was issued and may only be used for future purchases of Products and/or Services. Any credit or portion thereof not used within the two (2) year period will automatically expire.

6.8. Customer shall make all payments under each SOW and/or PO without withholding or deduction of, or in respect of, any Tax unless required by applicable Law. If any such withholding or deduction is required, Customer shall pay to Seller such additional amount as will ensure that Seller receives the same total amount that it would have received if no such withholding or deduction had been required.

6.9. Credit terms are subject to review from time to time and Seller shall at all times have the right to suspend or vary any credit terms granted. If demanded by Seller, Customer shall pay for the Products on order.

6.10. In the event of a payment default, Seller reserves the right to suspend the applicable Services or delivery of applicable Products.

6.11. If goods and services Tax is payable on any supply made under or in accordance with this Agreement, the recipient of the taxable supply must pay to the Seller an additional amount equal to the goods and services Tax payable for the taxable supply subject to the recipient receiving a valid Tax invoice in respect of the supply at or before the time of payment. Payment of the additional amount will be made at the same time as payment for the taxable supply is required to be made in accordance with this Agreement.

Section 7. DISCLAIMED WARRANTIES.

7.1. In the case of Third Party Services, the third party will be responsible for providing the Third Party Services to Customer, and Customer will look solely to the third party for any loss, claims or damages arising from or related to the provision of such Third Party Services. With respect to Third Party Services, Seller acts solely as an independent sales agent when collecting any due amounts, including, but not limited to, Taxes.

7.2. EXCEPT AS SET FORTH HEREIN (INCLUDING SECTION 8), AND SUBJECT TO APPLICABLE LAW, SELLER MAKES NO OTHER, AND EXPRESSLY DISCLAIMS ALL OTHER, REPRESENTATIONS, WARRANTIES, CONDITIONS AND COVENANTS, EITHER EXPRESS OR IMPLIED (INCLUDING WITHOUT LIMITATION, ANY EXPRESS OR IMPLIED WARRANTIES OR CONDITIONS OF FITNESS FOR A PARTICULAR PURPOSE, MERCHANTABILITY, SATISFACTORY QUALITY, DURABILITY, ACCURACY OR NON-INFRINGEMENT) ARISING OUT OF, OR RELATED TO, THE PURCHASED ITEMS OR THEIR PERFORMANCE OR NON-PERFORMANCE, INCLUDING BUT NOT LIMITED TO ANY WARRANTY RELATING TO THIRD PARTY SERVICES.

7.3. Customer further acknowledges and agrees that Seller makes no representations, warranties or assurances that the Products are designed for or suitable for use in any high risk environment, including but not limited to aircraft or automobile safety devices or navigation, life support systems or medical devices, nuclear facilities, or weapon systems, and Customer shall indemnify, defend and hold Seller, its Affiliates, and its and their directors, officers, employees and agents harmless from any loss (of any kind), cost, damage or expense (including, but not limited to, attorneys' fees and expenses) arising from any such use of the Products. Customer further agrees to review and comply with the manufacture's disclaimers and restrictions regarding the use of the Products in high risk environments.

7.4. CUSTOMER ACKNOWLEDGES THAT NO REPRESENTATIVE OF SELLER OR OF ITS AFFILIATES IS AUTHORIZED TO MAKE ANY REPRESENTATION OR WARRANTY THAT IS NOT IN THIS AGREEMENT.

7.5. Seller makes no warranties to Customer and Customer hereby acknowledges that Seller makes no warranties in regard to the applicability of all Laws affecting, without limitation the manufacture, performance, sale, packaging and labelling of the Products which are in force within Customer's territory or any part of it (**Local Regulations**). Customer must satisfy itself that Products comply with the Local Regulations in force from time to time.

Section 8. LIMITATION OF LIABILITY.

UNDER NO CIRCUMSTANCES, AND NOTWITHSTANDING THE FAILURE OF ESSENTIAL PURPOSE OF ANY REMEDY SET FORTH HEREIN, WILL EITHER PARTY, ITS AFFILIATES OR ITS OR THEIR SUPPLIERS, SUBCONTRACTORS OR AGENTS BE LIABLE FOR: ANY LOSS OF PROFITS, LOSS OF SALES OR TURNOVER, LOSS OR DAMAGE TO

REPUTATION, BUSINESS, REVENUES OR SAVINGS, LOSS, DAMAGE OR CORRUPTION OF DATA OR SOFTWARE, OR ANY INCIDENTAL, INDIRECT, SPECIAL, PUNITIVE OR CONSEQUENTIAL DAMAGES, EVEN IF THE PARTY HAS BEEN ADVISED OF THE POSSIBILITIES OF SUCH DAMAGES OR IF SUCH DAMAGES ARE OTHERWISE FORESEEABLE, IN EACH CASE, AND WHETHER A CLAIM FOR ANY SUCH LIABILITY IS PREMISED UPON BREACH OF CONTRACT, WARRANTY, NEGLIGENCE, STRICT LIABILITY OR OTHER THEORY OF LIABILITY. IN THE EVENT OF ANY LIABILITY INCURRED BY EITHER PARTY OR ANY OF ITS AFFILIATES HEREUNDER, THE ENTIRE LIABILITY OF EACH PARTY AND ITS AFFILIATES FOR DAMAGES FROM ANY CAUSE WHATSOEVER WILL NOT EXCEED THE LESSER OF THE AUSTRALIAN DOLLAR (A) AMOUNT PAID OR PAYABLE BY CUSTOMER FOR THE SPECIFIC PURCHASED ITEM(S) GIVING RISE TO THE CLAIM OR (B) 100,000.

ALL EXCLUSIONS AND LIMITATIONS IN THIS AGREEMENT, ANY STATEMENT OF WORK AND/OR ANY PURCHASE ORDER SHALL ONLY APPLY SO FAR AS PERMITTED BY LAW AND IN PARTICULAR NOTHING SHALL EXCLUDE OR RESTRICT LIABILITY (I) FOR ANY BREACH OF THE CONFIDENTIALITY OBLIGATIONS SET OUT IN SECTION 9 OF THIS AGREEMENT; OR (II) IN RESPECT OF ANY INDEMNITIES SET OUT IN THIS AGREEMENT.

NOTHING IN THIS AGREEMENT RESTRICTS THE EFFECT OF GUARANTEES, WARRANTIES OR CONDITIONS WHICH MAY BE IMPLIED BY LAW OR ANY OTHER RIGHTS OR REMEDIES WHICH CANNOT BE EXCLUDED, RESTRICTED OR MODIFIED. SUBJECT TO THOSE LAWS, TO THE EXTENT TO WHICH SELLER IS ENTITLED TO DO SO, ITS LIABILITY UNDER SUCH IMPLIED OR STATUTORY GUARANTEES, CONDITION OR WARRANTIES OR OTHER RIGHTS OR REMEDIES SHALL BE LIMITED AT ITS OPTION IN THE CASE OF PRODUCTS TO ANY ONE OR MORE OF THE FOLLOWING: (I) THE REPLACEMENT OR REPAIR OF THE PRODUCTS, (II) THE SUPPLY OF EQUIVALENT PRODUCTS, OR (III) PAYMENT OF THE COST OF REPLACING OR REPAIRING THE PRODUCTS OR OF ACQUIRING EQUIVALENT PRODUCTS; OR IN THE CASE OF SERVICES TO ANY ONE OR MORE OF THE FOLLOWING: (I) THE SUPPLY OF THE SERVICES AGAIN, (II) PAYMENT FOR THE COST OF HAVING THE SERVICES SUPPLIED AGAIN, OR (III) A REFUND OF THE PART OF THE NON-COMPLIANT SERVICES.

Section 9. CONFIDENTIAL INFORMATION.

9.1. Each Party anticipates that it may be necessary to provide access to Confidential Information to the other Party in the performance of this Agreement.

9.2. Confidential Information does not include information that: (a) becomes known to the public through

no act of the receiving Party; (b) was known to the receiving Party prior to disclosure; (c) is made known to the receiving Party by a third party having the right to disclose it; or (d) is independently developed by Personnel of the receiving Party who have not had access to such information.

9.3. Each Party agrees that it will maintain the confidentiality of the other Party's Confidential Information for a period of three (3) years following the date of disclosure and will do so in a manner at least as protective as it maintains its own Confidential Information of like kind but in no event with less than a reasonable degree of care. Disclosures of the other Party's Confidential Information will be restricted (i) to a Party's personnel (including personnel employed by such Party's Affiliates) and subcontractors with a need to know such Confidential Information in connection with the performance of this Agreement, provided such parties are bound by obligations of confidentiality substantially similar to the terms of this Agreement, and (ii) to a Party's business, legal and financial advisors, provided such parties are bound by obligations of confidentiality substantially similar to the terms of this Agreement. Each Party agrees not to use any Confidential Information of the other Party for any purpose other than the business purposes contemplated by this Agreement. At the written request of a Party, the other Party will either return, or certify the destruction of, such Party's Confidential Information.

9.4. If a receiving Party is required by law, rule or regulation, or requested in any judicial or administrative proceeding or by any governmental or regulatory authority, to disclose Confidential Information of the other Party, the receiving Party will give the disclosing Party prompt notice of such request so that the disclosing Party may seek an appropriate protective order or similar protective measure and will use reasonable efforts to obtain confidential treatment of the Confidential Information so disclosed.

Section 10. TERM AND TERMINATION.

10.1. This Agreement shall be deemed to have come into force on the Effective Date and shall continue thereafter unless and until otherwise terminated in accordance with the terms of this Agreement.

10.2. Either Party may terminate this Agreement without cause upon thirty (30) days' prior written notice. Either Party may terminate this Agreement for cause if the other Party fails to cure a material default in the time period specified herein. Any material default must be specifically identified in a written notice of termination. After written notice, the notified Party will have thirty (30) days to remedy its performance, except that it will have only ten (10) days to remedy any monetary default. Failure to remedy any material default within the applicable time period provided for herein will give cause for immediate termination. Notwithstanding anything specified herein to the contrary, Seller shall have the right to terminate this Agreement immediately upon notice to Customer upon the occurrence of an Insolvency Event.

10.3. Save where this Agreement has been terminated as a result of non-payment by Customer, and subject to Section 10.4, this Agreement will continue to remain in

effect with respect to orders for Purchased Items submitted by Customer prior to the termination of this Agreement. Upon termination or expiry of this Agreement, Seller may terminate upon written notice any SOWs and/or POs that are still in force upon the date of such termination or expiry.

10.4 Any SOW and/or PO shall be effective as of the SOW Effective Date (as set forth in the applicable SOW) and/or the date set forth in such PO and shall, unless terminated as set forth in this Agreement or the applicable SOW and/or PO, continue in effect until the date the relevant Services have been completed or the relevant Deliverable, if any, have been accepted and/or the relevant Products have been delivered for the term set forth in the applicable SOW and/or PO.

Section 11. ESCALATION PROCEDURE.

Any claim or controversy related to or arising out of this Agreement, whether in contract or in tort, other than matters pertaining to proprietary information, proprietary rights, or payment disputes ("Dispute"), will be resolved according to the following process, which either Party may start by delivering a written notice to the other Party describing the Dispute and the amount involved ("Demand"). If the Dispute remains unresolved after three (3) business days after receipt of a Demand, each Party shall identify a designated representative and a senior manager in writing to the other Party, and the designated representatives from each Party will meet at a mutually agreed upon time and place and use commercially reasonable efforts to try to resolve the Dispute. The Parties shall conduct such negotiation on a confidential basis. If the Dispute remains unresolved for three (3) business days after such meeting, either Party may escalate the Dispute by sending notice to the other Party's senior manager. If the senior managers from both Parties cannot resolve the Dispute within three (3) business days after receipt of such written notice, either Party may pursue any other available remedies. The Parties shall use commercially reasonable efforts to attempt to settle any claim or controversy between themselves (acting in good faith) within one (1) calendar month of notice of the claim or controversy being given. The Parties shall conduct such negotiation on a confidential basis.

Section 12. NOTICES.

Section 13. MISCELLANEOUS.

13.1. This Agreement contains the entire understanding of the Parties with respect to the subject matters herein and supersedes and replaces in their entirety any and all other prior and contemporaneous agreements and understandings, whether oral, written, electronic or implied, if any, between the Parties hereto with respect to the subject matter hereof. Each Party acknowledges that it has not relied on any statements, warranties or representations given or made by any other party under or in relation to this Agreement, save those expressly set out in this Agreement. Each Party further acknowledges that it shall have no rights or remedies with respect to such subject matter other than under this Agreement.

13.2. No course of prior dealings between the Parties and no usage of trade will be relevant to determine the meaning of this Agreement or invoice related thereto.

13.3. Any reference to "writing" or "written" includes any method of reproducing words or text in a legible and non-transitory form and, for the avoidance of doubt, shall exclude e-mail.

13.4. Except where the context otherwise requires, words denoting the singular include the plural and vice versa, words denoting any gender include all genders, and words denoting persons include firms and corporations and vice versa.

13.5. Unless otherwise stated, a reference to a clause or schedule is a reference to a clause of or schedule to this Agreement. Section headings are for ease of reference only and do not affect the construction of this Agreement.

13.6. No provision of this Agreement will be deemed waived, amended or modified by either Party unless such waiver, amendment or modification is in writing and signed by both Parties. Any delay or failure by either Party to exercise any right or remedy will not constitute a waiver of that Party to enforce such rights thereafter.

13.7. Seller may assign or subcontract all or any portion of its rights or obligations under this Agreement to any of its Affiliates or assign the right to receive payments to any of its Affiliates, without Customer's consent. Seller shall be responsible for the performance of any of its Affiliates subcontractors or assignees under this Agreement. Customer may not assign this Agreement or any of its rights or obligations herein without the prior written consent of Seller. Subject to the restrictions in assignment contained herein, this Agreement will be binding on and inure to the benefit of the Parties hereto and their successors and assigns.

13.8. Neither Party, at any time during or after the term of this Agreement, without the prior written consent of the other Party in each instance, shall issue, publish, or arrange

for any press release of any kind or nature whatsoever, or shall use the trademark, service mark, trade or service name, or logo of the other Party.

13.9. If any term or condition of this Agreement is found by a court of competent jurisdiction to be invalid, illegal or otherwise unenforceable, the same shall not affect the other terms or conditions hereof.

13.10. THIS AGREEMENT WILL BE GOVERNED BY THE LAWS OF THE STATE OF NEW SOUTH WALES, WITHOUT REGARD TO CONFLICTS OF LAWS RULES. ANY ARBITRATION, ENFORCEMENT OF AN ARBITRATION OR LITIGATION WILL BE BROUGHT EXCLUSIVELY IN NEW SOUTH WALES, AND BOTH PARTIES CONSENT TO THE JURISDICTION OF THE FEDERAL AND STATE COURTS WITH JURISDICTION THEREIN, SUBMIT TO THE JURISDICTION THEREOF AND WAIVE THE RIGHT TO CHANGE VENUE. THE PARTIES FURTHER CONSENT TO THE EXERCISE OF PERSONAL JURISDICTION BY ANY SUCH COURT WITH RESPECT TO ANY SUCH PROCEEDING. Customer and Seller are solely obligated to address and resolve all disputes associated with this Agreement, including any damages or injuries to the Customer's Affiliates, and all claims related to this Agreement will be brought by Customer in New South Wales as provided in this Agreement. Except in the case of non-payment, neither Party may institute any action in any form arising out of this Agreement more than one (1) year after the cause of action has arisen. The rights and remedies provided under this Agreement are cumulative, are in addition to, and do not limit or prejudice any other right or remedy available at law or in equity.

13.11. The rights and obligations provided by Sections 2, 3, 4, 5, 6, 7, 8, 9, 10, 11 and 13 and those terms and conditions which would, by their meaning or intent, survive the termination of this Agreement shall so survive.

13.12. This Agreement may be signed in separate counterparts, each of which shall be deemed an original, and all of which together will be deemed to be one original.

13.13. The relationship between Seller and Customer is that of independent contractors and not that of employer/employee, agency, partnership or joint venture. Accordingly, except as expressly authorized herein, no Party shall have any authority to act or make representations on behalf of the other Party, and nothing herein shall impose liability on a Party in respect of any liability incurred by another Party to a third party.

13.14. Seller shall use reasonable endeavors to provide such cooperation as may be reasonably required by any third party contractors of products and/or services to Customer so as to ensure that all Products and/or Services can be provided to Customer in a coordinated, effective and timely manner. Seller shall be entitled to charge Customer its reasonable pre-approved (such approval not to be unreasonably withheld or delayed) costs of complying with this Section 13.13.

13.15. Seller shall not be liable for any loss or damage suffered or incurred by Customer arising from Seller's delay

or failure to fulfil or otherwise discharge any of its obligations under this Agreement or any SOW and/or PO where such delay or failure is caused by any non-performance of its obligations by Customer, industrial dispute, sudden or substantial depletion of Seller's staff, or any Force Majeure Event.

13.16. Seller and Customer each agree and undertake to the other that in connection with this Agreement and the provision of Deliverables and/or Services contemplated by this Agreement, they will each respectively comply with the applicable Anti-Corruption Laws. In the event that either Party has any basis for a good faith belief that the other Party may not be in compliance with the undertakings and/or requirements set out in this Section 13.15, such Party shall advise the other Party in writing of its good faith belief and the other Party shall cooperate fully with any and all reasonable enquiries undertaken by or on behalf of such Party.

13.17. Each Party warrants and agrees that it will comply with all Laws applicable to such Party in its performance of its obligations under this Agreement.

13.18. The Parties may change the scope of Services or Deliverables and other matters specified in the Statement of Work only by a written amendment executed by an authorized representative of each party (a "Change Order"). If Seller performs any Services or work at the request of Customer under this Agreement that is not specified in a Statement of Work then, (a) the work will be considered Services provided under this Agreement, and Customer will pay Seller for such Services in accordance with Section 6 at Seller's then current time and materials rates, and (b) the Parties will promptly negotiate and enter into a Statement of Work or Change Order to an existing SOW to reflect the new or changed Services.

13.19. Nothing in this Agreement is intended or will be construed to confer upon any person (other than the Parties hereto and any indemnified party set forth in this Agreement) any rights, benefits or remedies of any kind or character whatsoever. Except as expressly stated in this Agreement, the Parties do not intend that any term of this Agreement shall be enforceable by any third party.

Section 14. DATA PROTECTION

14.1. The Parties agree that Seller will not be required to process any Personal Data during the supply of any Products and/or Services under this Agreement unless explicitly stated in a SOW and/or PO, in which case the provisions of this Section 14 shall apply. Unless the Parties agree that Seller will process any Personal Data under a SOW and/or PO, Customer shall restrict Seller's access to any Personal Data under Customer's control. If the Parties agree that Seller will process Personal Data under a SOW and/or PO, the Parties may agree to additional data protection terms in that SOW and/or PO, including as required by applicable Laws for the transfer of Personal Data to Seller or any of Seller's Affiliates, or any third party providing Services under subcontract with Seller.

14.2. Seller shall process Personal Data from time to time only in accordance with Customer's instructions and

shall not process the Personal Data for any purpose other than those expressly authorized by Customer. Customer agrees that Seller will act as the processor or licensee of such Personal Data, and not as the controller, owner, or licensor of such Personal Data. Customer is responsible for obtaining any consents and providing and ensuring the accuracy of any notices required to disclose Personal Data to Seller, Seller's Affiliates, or any Seller subcontractor providing Services for use in accordance with this Agreement.

14.3. Each Party warrants to the other that it will process the Personal Data in compliance with all Laws, enactments, regulations, orders, standards and other similar instruments applicable to such Party. Furthermore, Customer warrants that any Customer Personal Data provided to Seller has been obtained, processed and provided to Seller in accordance with all Laws and ensured that there is a legitimate ground for the processing of any and all Personal Data by Seller, Seller's Affiliates, or any Seller subcontractor providing Services on behalf of Customer in accordance with this Agreement and any applicable SOW and/or PO.

14.4. Seller shall use commercially reasonable efforts to prevent the unauthorized or unlawful processing of Personal Data and the accidental loss or destruction of, or damage to, Personal Data to ensure a level of security appropriate to: (i) the harm that might result from such unauthorised or unlawful processing or accidental loss, destruction or damage; (ii) the nature of the data to be protected; and (iii) take reasonable steps to ensure compliance with those measures.

14.5. Customer acknowledges that Seller is reliant on Customer for direction as to the extent to which Seller is entitled to use and process Personal Data. Consequently, Seller will not be liable for any claim brought by a data subject arising from any action or omission by Seller, to the extent that such action or omission resulted directly from Customer's instructions.

14.6. Seller may authorize a third party sub-contractor to process the Personal Data provided that the sub-contractor's contract: (i) sets forth terms related to protection and processing of Personal Data which are substantially the same as those set out in Section 14.3 of this Agreement; and (ii) limits the subcontractor's processing of such Personal Data to terminate automatically on termination of this Agreement for any reason.

Section 15. LOCALIZATION

Should any Seller Affiliate and any Customer Affiliate wish to enter into an agreement for the provision of Deliverables, Products and/or Services ("**Local Agreement**") in Canada, the United Kingdom, the United States, Hong Kong, Ireland, Singapore, South Africa or the United Arab Emirates (as applicable), Local Agreement(s) can be agreed between the Parties and added as Exhibit(s) to this Agreement by way of addendum. The terms of this Agreement shall be incorporated into each such Local Agreement except to the extent that the Local Agreement expressly states that any amendments shall take precedence.
